PUBLIC EVENT: SUSTAINABLE ECONOMY AND CARE

Women s networks and feminist economists across the world have called for a paradigm shift in economic thinking and activities. Such a radical change would account for valuing the (unpaid) care work of (predominantly) women and...

Messages to the G8 (+5) heads of state

Climate protection will be at the top of the agenda of the G8 Summit, but we fear that the results of the summit will not be enough to meet the demands of the situation. Of the heads of the G8 (+5) states, only one is a...
